

HOW TO APPLY

Contact the International/Mobility Office in your home institution to see if you are eligible for the mobility programme, according to ESEP study cycles.

Your home institution will be responsible for submitting the application form to ESEP International office, according to what established in the interinstitutional agreement and ESEP internal regulations in force (deadline is 30th March).

After acceptancy to the mobility programme, the Learning Agreement is signed between sending and host institution. Additional personal documents will then be required:

2 recent passport-sized photographs;

1 copy of the passport (valid passport) or ID card;

1 copy of the European Health Insurance Card;

Academic transcript of records.

Please bear in mind: Any changes to the mobility study or traineeship programme should be exceptional, insofar as a written agreement has previously been signed by all parties involved.
