

Dear Partners,

The Exchange Student Nomination to ESEP for the academic year 2020/2021 is open. We would appreciate if you could read the following key procedures, so that ESEP can provide you the best information.

The application deadline for incoming exchange students for the next academic year is 30th March for autumn and spring semesters.

To apply, the university is required to contact by email our International Office (Maria do Céu Almeida - ri@esenf.pt) and send the nomination with the following information:

- Student full name and email address;
- Mobility period;
- Learning or training programme, or curricular unit of ESEP and ECTS;
- Language skills;

After this procedure, the student and the university will be sent an email informing of the mobility proposal viability (dates and curricular units proposal), and the subsequent administrative procedures.

You can access the following link for additional information:

<http://en.esenf.pt/about-us/>

http://acesso.esenf.pt/wp-content/uploads/2019/07/guia_cursos_ING_2016.pdf

The students must arrange for their own accommodation as soon as they receive our written confirmation of acceptance. They can contact the International Office ri@esenf.pt or the ESEP Student Association dae@ae-esenf.pt.

Academic calendar 2020/2021:

The first semester starts 14/09/2020 and end 12/02/2021

The second semester starts 17/02/2021 and end 23/07/2021

Attachment: Periods of Clinical Practices

Please note:

- The beginning and finishing dates of the clinical curricular units must be accordingly to attached planning;
- All theoretical curricular units are lectured on Portuguese;
- The clinical curricular units total 7,5 ECTS (5 weeks) or 15 ECTS (10 weeks) and 25 hours per week;
- Before the mobility period starts, you must take a Portuguese course. We recommend the online Portuguese course, available at the Online Linguistic Support - OLS, offered by the Erasmus+ Programme.

We look forward to welcoming your students!

Best regards,

Maria Henriqueta Almeida
